Introduction

Hi, I'm Andrew and I am a 3rd year Design Computing student who is passionate about working in a team environment with UX/UI design related work. As I enter my final year, I am currently seeking internship opportunities where available!

Education

Bachelor of Design Computing at University of Sydney (2018 - present)

- Achieved WAM of 77.8 (Distinction) in first year
- Achieved WAM of 78.8 (Distinction) in second year

North Sydney Boys High School (2012 - 2017)

- Band 6 in Japanese Continuers and Advanced Mathematics

Exchange Program at the National University of Singapore (August 2019 - December 2019)

- Studied electives such as Game Design, Politics and Linguistics

Skills

- Proficient in Adobe Illustrator, After Effects, and Premiere with experience in related software, able to pick up software and skills quickly
- Proficient in Java and Javascript, with experience in html and css, capable of picking up coding languages quickly
- Leadership, mentoring and teaching skills
- Friendly and easy to get along with, adaptable to stressful situations
- Proficient in Cantonese, play instruments and dance as hobbies

Work Experience

Server at KFC Haymarket (2016)

- Working and making decisions in a fast-paced, high-stress environment

Waiter at Michel's Patisserie (2018)

- Remembering prices and being warmly acquainted with regular customers

Teacher at Cornerstone Education Centre (2018-2019)

- Teaching classrooms of primary-school aged children, balancing discipline and fun

Scripture Teacher at North Sydney Boys, North Sydney Girls, Homebush Boys (2018-2019)

- Managing classrooms of teenagers, preparing content to a syllabus, willing to be experimental to freshen experiences

Other Experience

Student Leader at School Christian Fellowship (2016-2017)

- Running camps for 100-140 teenagers with a team, mentoring younger students

Kids Church Leader at St Johns Parramatta (2018-2019)

- Teaching and managing young children, keeping content fun and engaging
